ANNOUNCING DESIGN CONTEST FOR COTA STAND POSTERS

As you may know, COTA (formerly NACOTA) has two well established annual events: ICCTP annual conference scheduled in August and Winter Symposium right before the TRB annual meeting. These two are not only the biggest events of COTA, but also two very visible celebrations of COTA's presence in transportation community. We therefore need a great Stand Poster to attract the eyes of transportation professionals and publicize the events. The guidelines of the Stand Poster are the following:

- 1. The Stand Poster has to include the logo of COTA (see attached file), the English and Chinese full names of COTA (Chinese Overseas Transportation Association, 海外华人交通协会), as well as the web address of COTA: www.cota-home.org.**
- 2. Three colors maximum**
- 3. 11" x 14"**
