

COTA Board of Student Member Candidate

Yi Liu

PhD Candidate
Department of Civil and Environmental Engineering
University of California, Berkeley
Tel: (510) 501-4100
Email: liuyisha@berkeley.edu

Background Information:

Yi Liu is a PhD candidate in the Transportation Engineering in University of California, Berkeley. She received the M.S. degree in Geotechnical Engineering in Hong Kong University of Science and Technology and the B.S. degree from Hydrology and Hydropower Engineering in Tsinghua University. Her research focuses on air traffic management, airport surface management, and aviation economics. Liu is the author of over 10 peer-reviewed journal papers, conference papers and technical reports. Liu co-organized the 5th International Conference on Research in Air Transportation in 2012 and served as a session chair at Informs in 2013. Liu received one of ten research stipends awarded nationally as part of the Graduate Research Award Program on public sector aviation issues in 2012 and won Leadership Legacy scholarship, San Francisco Chapter in 2013.

Commitments:

1. Promote connections between students and advanced researchers within and outside COTA communities.
2. Work on membership development.
3. Help organize COTA conferences, workshops and forums.
4. Contribute to the continuing success and growth of COTA.

Endorsements from Dr. Hubo Cai, Qing Wang, Rui Guo
